# Cayuse IRB Status (Purdue University)

Login to [Cayuse](#) → Click on the protocol number → Check the status banner at the top of the page.

Status at the Top of the Page	What is Occuring	Anticipated Review Time
1 In-Draft Submission is with researchers — **Unsubmitted**	An HRPP/IRB protocol submission is being prepared. The protocol is not in the HRPP/IRB review queue. The study is not yet completed and not under review. *Submissions where individuals have not taken proper [training](#) or do not have an [eligible Principal Investigator](#) will be sent back without review.*	Not applicable - The protocol application is with the study team for initial study design. **The HRPP/IRB is not reviewing the study because it has not reached our system.**
2 Awaiting Authorization Submission is awaiting certification or approval — **Awaiting Certification**	The Principal Investigator must certify the protocol submission. Please see the [quick reference guide](#) for instructions.	Not applicable -The protocol application is with the Principal Investigator for review of the study design and certification. **The HRPP/IRB is not reviewing the study because it has not reached our system.**
3 Pre-Review Submission is being prepared for review	[HRPP staff members](#) verify training, check application completeness, and highlight questions or comments to a reviewer. *Submissions requesting a different IRB of record ([reliance](#)) will remain in this status until completion by the collaborating IRB.*	Start of HRPP/IRB review time. Allow at least 5 business days for submissions in this status. Analysts are HRPP Staff members whose names are visible in the system.
4 Under-Review Submission is with reviewers — **Under Review**	When the orange **"Under Review"** banner appears above the title of your protocol, it is with the assigned reviewer. *Submissions assigned to an [IRB full board meeting](#) will remain in this status until the IRB meeting concludes.* • **Exempt protocols are primarily reviewed by office staff.** • **Limited, Expedited, and Full Board protocols are reviewed by IRB members who are mostly faculty.**	Varied by review/risk type and reviewer availability. [Please allow at least 14 business days in this stage](#). Reviewers have several items in their queue at one time. Comments from "IRB Reviewer" are faculty members of the board or Senior HRPP staff.
4 Under-Review Submission is with reviewers — **Under Post Review**	When the orange **"Under Post Review"** banner appears above the title of your protocol, it has been reviewed. The HRPP staff will generate the communication to you. HRPP/IRB will issue either a request for revisions or an approval/exemption memo through Cayuse.	Allow 1-2 business days in for processing by the assigned Analyst.
