

Open My IRB Protocols

 **NOTE:** Only personnel who have been specifically designated as “Aggregators” in the system have access to IRB protocol documents. Principal Investigators are automatically Aggregators for their own protocols. To add an Aggregator to a protocol, please e-mail irb@purdue.edu and include the name, e-mail address, and associated IRB protocol(s) for any personnel requiring Aggregator status. This message must be sent by the Principal Investigator of the protocol.

Login to CoeusLite

CoeusLite is a web based application that may be accessed by any computer with an internet connection.

1. Open a web browser page and go to: <https://coeus.itap.purdue.edu/coeus/userAuthAction.do>
2. Login using your Purdue Career Account credentials. Click the "My IRB Protocols" link found at the top of the screen.

3. To access the online IRB Protocol module, click the "My IRB Protocols" link found in the top navigation of any CoeusLite screen.

Protocol Search

4. The IRB Protocol Search function in CoeusLite provides a User with the capability of quickly locating both historic protocols and protocols that are currently being developed.

 **NOTE:** Use the wildcard (*) symbol before and after entered criteria. If the wildcard is not utilized, all entered search criteria must be exactly as it appears in the database or no results will be returned.

All Protocols

| Protocol Number | Title | Status | Approval |
|----------------------------|--|-------------------------------------|----------|
| 1305001045 | test | Pending/In Progress | |
| 1305001044 | Test Record for Demo | Pending/In Progress | |
| 1305001043 | Test | Submitted to IRB | |
| 1305001042 | CES Questionnaire Test | Pending/In Progress | |

5. Click on any record to view the attachments associated with the IRB protocol.
